7/ The petition from Sri N.Satyanarayanamurthi requesting the inclusion of name in the approved list of Tahsildars is submitted to the Government. The Board has decided that no new name need be included in the Tahsildar's list for 1952, as the existing list itself is overfull, with as many as II candidates, who are in the approved list ~~for 1952, as the existing~~ of Tahsildars acting as Deputy Tahsildars for want of vacancies. For similar reasons, no new name was included in the Tahsildar's list for 1951 also. No junior to him was included in the Tahsildar's list so far. The petitioner has therefore no case for inclusion in the Tahsildar's list. The Board recommends that the petition may be rejected. The personal file of the petitioner is with the Government of India.

Sir,

Sub: Public Servants - Satyanarayana Murthi (Shri N.) Approved Probationer in Madras Revenue Subordinate Service - Inclusion in the list of Tahsildars - Petition.

I, Shri N. Satyanarayana Murthi, am an Approved Probationer in the category of Deputy Tahsildars in the Madras Revenue Subordinate Service as Bellary District. I was included in the list of Deputy Tahsildars in 1946. In August 1950, the Collector of Bellary, recommended my name for being appointed as Gazetted Superintendent, National Sample Survey, Government of India, Ministry of Finance. I was selected and posted as Superintendent, National Sample Survey, Mysore Block, from 5th September 1950. I have been working as such since then.

After my appointemt as Gazetted Superintendent, two annual lists for 1950 and 1951 recommending names for inclusion in the list of Tahsildars appeared to have been sent to the Board of Revenue, by the Collector, Bellary. I am afraid, collector of Bellary, did not consider my case for inclusion, just because I was away on deputation. It is possible that my case will go by default, if I do not report matters in time.

In this connection, I invite your kind attention to Office Memoraddum No. 2290/50-1 Public (Services) Department of the Government of Madras, dated, 28.6.1950, which covers my case. My own fear is that my case has not been considered in both the years and that I run the risk of going by default. It is to obviate this that I am putting this application. The remarks from the Head of the Department under whom I am working may be obtained by addressing him.
